**ABOUT ERAI TURKEY**

**Our History**

Founded in 2006, ERAI Turkey acts as a facilitator for international companies wishing to enter the Turkish market. ERAI is specialized in 2 areas: "Business Development" & "Business Management", and offers a wide range of tailor-made and complementary services within the framework of its axes.

**Our Team**

Young, dynamic, multilingual... These are the main adjectives that best describe the team which consists of project managers and sector experts who support us in case of specific needs. Each organization is unique. That's why we adapt our services to each request and put everything in to make sure that your project is a success.
